IN THE CLAIMS

Please cancel claims 10—12 without prejudice.

REMARKS

In response to the restriction requirement, the applicants elect Invention I, comprising claims 1—9 and 13—19. This election is made without traverse, and the unelected claims 10—12 have been cancelled.

In response to the objections to the specification and drawings, the application has been read and the errors have been corrected. The numeral 14 is now in Fig. 1, and 52 has been added to Figs. 5 and 6. There were several errors in the numerals on page 8, and these have been corrected.
